System Requirements:

Apple®: iPad 2 is backward compatible with earlier iPads, and we've found no technical issues when running older games or viewing videos. However, we can't verify whether iPad 2 will run new games with higher hardware requirements, and older games may not work. iPad 2 and iPad mini are required to play this game. To view videos and watch some e-books, you will need an Apple TV or third-party device (if your Apple TV has the right cable box installed). To access iCloud®, you will need an
