
The Tooth Fairy Horror Movie DownloadI VERIFIED

A vengeful spirit took the form of the Tooth Fairy to get revenge ... A longer version was shown on FX Network's "DVD on TV" with extra scenes, not ... Which is basically what the title of the movie implies. What are they (the Vengeful Spirit) to avenge? For not giving them the "perfect world"? For not giving them "perfect love"? For having to go through all the circles of Hell and Heaven and not being given "happiness"? And to take revenge for that? No. I don't know, but the fact that this movie is about "nothing" became clear to me from the first minutes of watching it. What I'm about to write is purely my opinion. And I'm not imposing it on anyone, just giving my opinion. So what happened?
