

Sai Satcharitra is full of divine glory and uses various descriptions, incidents, topics to prove the divinity of Sai Baba. He had spoken more than 60 millions words in his life. Thousands of such words are mentioned on the pages of Sai Satcharitra. The most difficult words are Arya (Rishikesh), Gandhakramam (Santoshpuram), Karnam (Santoshpuram) etc. Many a time I have gathered here all these difficult words. With my full strength, I attempted to gather as much as possible and typed the Sai Satcharitra by hand in the computer. I have used the special software by my self for typos check. During my collection of all these difficult words, I found that Sai Satcharitra has some spelling mistakes. I

must say, after reading Sai Satcharitra many time, this discrepancy has not deterred me to type a book full of words. Only I have tried to use special spell-check tool for all the pages. Anyway, all the words are there and still, I did not find any misspelt word in Sai Satcharitra. Therefore, I have tried my best and played with the best keyboard to typing Sai Satcharitra. This Typing Sai Satcharitra is the digital version in English and I assume, you can still use the same in your computer. If you are using a laptop then you can use the USB converter as it has USB connection. Lazy guys, who do not like typing, can just download this Typing Sai Satcharitra.
