If the shape of the container is different, or if a custom shape is required, then, the consumer should consider incorporating an icon to identify it. Please, consult ANSI for standards-based labeling requirements, prior to putting the symbols on your products. ANSI also collaborates with other standards development organizations (SDOs) to assure that the ANSI safety standards are applicable to new software, products, and services as they emerge. ANSI collaborates with ISO, CEN/TC-16-SCALA, the International Electrotechnical Commission (IEC), and the Canadian Standards Association (CSA), and others for the purpose of standardization in transportation, safety, security, mobility, energy, cybersecurity and more. These organizations continue to develop, support and maintain their standards in response to the pandemic. ANSI is working with and providing guidance to companies and governments responding to the pandemic. Those interested in reviewing the ANSI work and our COVID-19 efforts should visit www.ansi.org/coronavirus.
