Fair question, but first off, I gotta tell you that I'm not a scene creator; I'm a producer, so the only thing I'm entitled to doing is to take it as it comes and play it safe. I don't have any hard feelings for the scene, and I don't think it can really take it because the scene is not ready for where it is right now. A few months ago, there was a scene intro video that was made of the same old scene, and the same old atmosphere. That was what the scene was showing the world. The scene itself hasn't taken advantage of the resources that it has, and it has no professionalism. Neither the creator nor the people involved in the scene are professionals
